

VINOS PARA TODOS

At Ojo, our wine list is crafted to reflect the spirit of our contemporary Mexican cuisine—vibrant, expressive, and precise—served from the highest restaurant in Thailand, overlooking Bangkok’s skyline.

The wines are selected to complement and intensify the bold flavors of our food, balancing brightness, spice, texture, and depth. They echo the dialogue found on the plate: tradition meeting modernity, energy meeting restraint.

Our focus is on small, quality-driven producers working ethically and sustainably, many of whom we know personally. These are wines with a strong sense of place, chosen for their character, integrity, and ability to enhance the dining experience.

Rather than following a conventional structure, the list is organized stylistically, inviting guests to explore wines by flavor profile and mood—whether classic, contemporary, or quietly unconventional.
